

BMO UK Scholarships with Internships

Apply by 3rd May

SCHOLARSHIP

BMO Capital Markets is offering two Scholarships to support students with University fees

As part of our commitment towards Zero Barriers to Inclusion, we are dedicated to supporting diverse undergraduate students in bringing their experiences and perspectives to BMO.

Recipients of the Scholarship will receive funding to cover 50% of their undergraduate tuition fees (worth £4,625 for the 2024/25 academic year) for each of their three years at University.

Together with the scholarship, recipients will also take part in the BMO internship programme (summer 2025 and 2026) within our Capital Markets business.

Eligibility:

- Strong grade prediction at A-Level
- Interest in banking / financial services

Apply by scanning the QR Code or via The Brokerage Hub.

Please include your **CV** along with a **250-300** word statement on

Why you want to work in financial services?
